23 February 1957

MEMORANDUM FOR:

SUBJECT : Notes on Subject of Military Details

Attached are some notes on the subject of military details and the dual compensation statutes. You will recall that I gave you some cards which I think would be useful for further research on this subject. This material is forwarded for whatever use you care to make of it. Perhaps you should discuss the matter with Larry or Chuck to see to what extent they wish it pursued.

Assistant General Counsel
